**REACH STATEMENT**  
(According to the article 33 of REACH Regulation)

Dear Customer,

The company Savatech d.o.o. proves the compliance of its products and semi-products with the requirements of the REACH regulation through a purchase and use of these raw materials only, which are in compliance with the regulation. We are using only substances and mixtures, which are pre-registered or registered by our suppliers or manufacturers. As a downstream user we are regularly communicating with its suppliers in relation to REACH.

According to the article 33 of REACH Regulation each supplier of the product is obligated to provide its customers information on the safe use of the product, if it contains substances of very high concern (SVHC) in a concentration above 0.1%. List of the substances of very high concern (SVHC) is available on the website of the European Chemicals Agency (ECHA) at: <http://www.echa.europa.eu/sl/candidate-list-table>

**We confirm that our products do not contain SVHC substances in concentrations above 0,1 %.**

If the next updates of the Candidate List modify the classification of some of these substances, we will inform you immediately.
